Spring January 2024

Welcome Back

Happy New year to you all! We hope you all had a relaxing break and are now slowly easing back into the school routine.

We are all raring to go for this term and have a jam packed 5 weeks of work experience, classroom-based learning and numerous outings and visits.

As usual we will be using the home school diaries for important messages and updates - please check these daily. We will let you know about what your child has been learning in school by uploading photos onto the Evidence for Learning app each week. It's a great opportunity to look at these with your child at home and we love to read your comments. We will also be using Facebook this term so look out for the photos.

If you have any queries, please do not hesitate to contact us via the school office or email:

English

In our English lessons this term, we will be reading Marcus Rashford's book, Heroes and discussing people who inspire us.

We are going to focus our writing and communication skills by attempting to Blog and Vlog our experiences of our hobbies! So watch out for our upcoming webpage where we continue to use our communication aids and develop speaking skills.

Maths

In Maths this term, we will continue exploring

- Length
- Money

All will be covered in focused sessions in class as well as whilst out and about at the shops and at work experience.

OCN , Theme & Work Experience

This term we will be continuing with AIM Qualifications and Assessment Group units which all link well with our topic about 'Hobbies'.

AIM units are: Making choices in pursuit of a personal goal, E3 Making Choices. Ongoing AIM Units:

Building Confidence & Self Esteem E1, 2 & 3, Becoming a volunteer E3 Volunteering, Maths – length, time and money, English – reading, writing, speaking

Work experience opportunities include: Dobbies, Foodbank, Shopping, Travel Training, Hosting in the café, college visits, Meal Deals and Pop-up shop. Pupils are rotated this term to allow every pupil to take part in an activity.

Science

Our Science focus this term will focus on our Environment—we will be looking at our local environment and the reasons why we need to care for our planet.

PSHE

Our PSHE focus this term is on the topics: Internet Safety. So we will looking at Apps and how pupils use devices.

Rebound, Hydro and PE

PE will be on a Monday afternoon. Linking into our topic of 'Hobbies' pupils will choose a sport that they would like try and decide whether they like it

Rebound will be every third week on a Monday, focusing on each individual's Rebound targets

Hydro takes place on Friday mornings and pupils are on a rota system so we will let you know via their home school book when it is your child's turn.
