

Family Update

15th March 2024

Updates

Hi everyone. Well, it's been another great week of laughter and learning. All the usual fabulous, engaging lessons have taken place but in addition, we celebrated **British Science Week** this week, with a Spectacular Science Extravaganza on Wednesday when **Sublime Science** came to excite and impress all the pupils, with hands-on, interactive science workshops.

Today is **Comic Relief Day** and we have celebrated by having '**Saxon Hill's Got Talent**' shows. Children and class groups have been using their communication aids for telling jokes, dancing, singing, signing, having loads of fun in their wonderfully bright, brilliant costumes. What an amazing day. Thank you so much to families for supporting your children to dress up and join in the fun.

We hope you enjoy the photos of these fun events and of the lovely work on Holland that is currently being done in Sleepover Club.

This week some staff have updated their skillset at a **SET Safeguarding Conference**, this ensures they continue to be best equipped to keep your children safe.

We have a wonderful weekend. Best wishes from your Leadership Team
