31st March 2023

Updates

Hi everyone, we've had a lovely week at Saxon Hill; lots of fun Easter themed activities around school. Thank you to families who came to join our Investigators department Easter service this afternoon, the children were wonderful as always, reading, switching, dancing and singing.

This week Shaw Education Trust Leaders made a visit to review practice in school. We are proud that they concluded that out of the 4 areas they were reviewing, 2 are Good and 2 are Outstanding. We clearly still have some improvements to work on but they added that visiting Saxon Hill is a beautiful experience, (not least because your children are such fantastic company).

Please see flyer below about tonight's Liberty Jamboree Birthday Celebration at Lichfield Social Club, this looks like good, accessible fun for the family.

Thank you for your ongoing support this term, you trust us with your precious, complex children and we take this responsibility very seriously. Our staff teams are receiving training on Monday 17th April in order to take even better care of the children. We look forward to seeing you back again on Tuesday 18th April and hope that you and your family have a wonderful Easter break.

All the very best from Your Leadership Team

The workshop is primarily aimed at children in key stages 1, 2 and 3.

The session will try to uncover what messages your child might be trying to tell you through their behaviour.
