Updates

Hi everyone, we've had a fun week in school this week, it was very exciting that two of our eggs hatched into chicks; the children have loved meeting them and learning about what they eat and how they move. The group visiting the farm have been also helping feed the kid goats. In assembly this afternoon I have asked the primary children to look out for **lambs**, **chicks** and **blossom**, so please help them to see, hear or smell any of these this weekend if you can.

Staffordshire County council have launched their **SEND Strategy Consultation** and want to hear all our views on how they are working with partners to co-design two new ways to improve SEND services in Staffordshire; The EAPDR Pathway and the SEDIS Model. To learn more and to have your say please attend one of these sessions in Stafford and/or answer the Consultation. <https://tinyurl.com/4naftamw>. Happy weekend, from your Leadership Team
